GUIDELINES FOR THE HOLY EUCHARIST

We practice open Communion. All communing Christians of all denominations are encouraged to share in the sacrament. Communicants place palms upward to receive the bread; those who come forward for the blessing place palms downward. Those wishing to receive wine from the pouring chalice take an empty glass. Those who wish grape juice take a pre-filled glass.

Chancel flowers are given by members of our congregation to honour special occasions and loved ones. We extend our thanks to those who provided flowers this week.

Our **Prayer Chart** is posted downstairs. Please add and delete names as necessary. We pray especially for God's blessing on those members of our church family who are traveling on vacation or business trips during the summer months.

Bible Studies Our Sunday Evening and Wednesday Evening Groups will resume in late October when Pastor Tom and Lorna have returned to Bermuda.

The Worship Workers SIGN-UP List for July through September is posted downstairs. Please sign up if you can help and be sure to note your dates in your diary or on your calendar. Summer time is a good chance to try out different areas of service. With so many people away on vacation, we urge you to assist whenever possible.

The Worship Workers ROTA for October through December is also posted downstairs. Please note your assigned dates. The rota is posted on the website but will not appear in the bulletin during October.

Regular Community Meeting at Peace

A.A. on Tuesday at 8:00 p.m.

Please note: Pastor Tom will be on vacation from September 2 through October 15. Should you be in need of PASTORAL ASSISTANCE during that time, please call The Rev. Canon James Francis of Christ Anglican Church, Devonshire, at 236-0537.

For GENERAL INQUIRIES at any time, please leave a message at 236-5330
